**INFORMATION BULLETIN** 

#1

We are happy to welcome you again at the Athens FINA Artistic Swimming World Series Super Final. Please respect the deadlines in order, for us, to know the number of athletes, staff and officials for better organisation. We really need that information to organise the event in the best condition. Final Entries will be made by the FINA GMS.

The COVID precisions will also be given to you according to the Greek regulations in force and th evolution of the health situation.

With our thanks for your precious collaboration for the good success of this FINA ASWS Super Final Athens 2022.

"Please note that it has been decided to open the Super Final to all FINA National Federations due to the limited number of competitions in the 2022 edition of the FINA Artistic Swimming World Series. You may register through the GMS as per usual procedure. Please note that the prize money distribution will be as per the 2022 Rules and Regulations, however, to be eligible National Federations must have participated in at least one (1) leg of the 2022 World Series that does not include the Super Final."
