Project Categories:

The support must be used to fund specific projects directly related to the below fields.
1. Construction, refurbishment or maintenance of facilities
2. Purchase or hire of sports material
3. Technology resources (website, online ranking, database, etc.)
4. Technical support (hiring appropriate technical staff e.g. coach, referee, expert, etc.)
5. Preparation and training of athletes, coaches and officials
6. Staging and participation at national and continental competitions
7. Talent-identification programmes
8. Administration and management of the Federation

Project 1 title	Youth developmental and motivational camp/workshop		
Project Category (see page 1)	7.Talent Identification Programs		
Responsible person from NF	Martina MORAVCOVA VALKO – The Athlete Representative at Slovak Swimming Federation Board		
Project Objective	<p>The main objective is to provide educational and motivational experience for a group of talented age group swimmers, possibly our future national team members.</p> <p>The 6-day workshop will focus on providing young athletes with sport specific education; conducting of stroke clinics with analysis of their technique, guest speakers (anti-doping, nutrition, sports biomechanics, mental training) while focusing on team building activities and creating friendships. For the motivational aspect, we would like to take the group to experience the atmosphere of the World Championships in Budapest.</p>		
Project timeline	Start date	21.6.2022	Finish date 26.6.2022
Project description <i>e.g. scope, budget, work breakdown, schedule, execution, control, reporting, etc.</i>	<p>Select the Top talents from the age group category 11-13 years old based on their achieved results during 2021-22.</p> <p>The selection of the swimmers will be based on FINA points and medal achievements from the National Championships so that both genders and top talents from each age group are fairly represented in our selection.</p> <p>Group size: 7 swimmers per age group (3) – 24 persons (21swimmers + 3 coaches.</p> <p>Accommodation 24pax with full board: 5 nights @\$70.00 per night depending on a room configuration/occupancy: 8,400 Euro</p> <p>Cost of personal (guest speakers, biomechanics, coaches etc): 2,500 Euro</p> <p>Cost of World Championships tickets: unknow (possibly free from FINA?)</p> <p>Cost of Bus/Transportation to WCH: 1,300.00 Euro</p> <p>Cost of equipment: T-shirts, shorts and FINA WCH memorabilia (ex. water bottle) 1,000 Euro (cca 40Euro/per participant)</p> <p>Estimated budget: 13,200 EURO</p>		
Project monitoring <i>How will your Federation oversee the implementation of your project? And how will you ensure the objectives are achieved?</i>	<p>The responsible person is an Athlete representative with the Slovak Swimming Federation and a former FINA Athlete representative (2009-2017) with an extensive experience of coaching age group swimmers and organization of summer swim camps. Her experience and personal merit provide the highest guarantees that this project will achieve the above stated objectives.</p>
